

Gin Appreciation Information Page

The Gin Appreciation group meets on the 1st Tuesday of each month at 7 pm in the games room of the village hall. We taste three different gins each month of various strengths and flavours. At present each member is choosing three bottles of their choice. We then discuss our likes/dislikes etc. Discussion seems to get noisier and livelier as the evening goes on. Can't think why!!

Every fourth month or so we have what we call a "Dregs" evening where we finish the gins left from the previous months. The cost is £10 per person which includes the Hall rent, gins, mixers etc.

We are a small group but have room for a couple more members at the moment of either sex. No prejudices, but I'm sure our only male member would like some support, even though he seems perfectly happy.

For more information please contact Mary using rbmb4546@yahoo.co.uk or either 01245 329162 or 079413029471
